TO AMEND SECTION 2.04.120 RULE 12 – STANDING COMMITTEES

2.04.120 Rule 12—Standing Committees

D. The committee, commission, and board chairs have the authority over the committee agenda with legal advice from the Corporation Counsel. Committee members' requests for "future agenda items" shall be placed on all standing committee agendas, without allowing for discussion on those items. The committee chair approves or denies the request when a committee member requests an item for future agendas. If denied, the chair shall state the reason. The committee clerk shall maintain an approved list of requested items on each agenda under "future agenda items."

E. "Announcements" shall be placed on all standing committee agendas, without allowing for discussions on those items.
